"Our purpose for Baker Summer Wrestling Camps is to change and impact the lives of wrestlers by providing opportunities, resources, and experiences throughout their time in camp. A young wrestler involved in our camps will not only learn high level skills and techniques, but they will inherit self-confidence, work ethic, and appreciation of self-worth. Our goal is to have the very best summer wrestling camp experiences for all young wrestlers across the country, while influencing them with a positive, supportive, and encouraging environment."
